

Name : **Dr. Anupam Das Talukdar**
Designation : Assistant Professor
Department : Life Science And Bioinformatics
Specialisation : Natural Product And Phytochemistry
Email : adtdmr@rediffmail.com

Last Five Publications:

1. In vitro regeneration and multiplication of *Dendrobium aphyllum* (Roxb.)Cec. Fisher.P.B. Mazumder, A. D Talukdar, Biodiversity Conservation-The Post-Rio Scenario in India. Editted by:B.K Dutta, A.K Das & P.Cahudhury. Assam University. 2007. Pp: 270-275.
2. Anti-cancer potential of the Genus *Croton* (Euphorbiaceae): A review. Rumki Nath, Saswati Roy, Anupam Das Talukdar, Suvasish Choudhury and M. Dutta Choudhury. (2010). Accepted for publication in Current Science.
3. Phytochemical screening and TLC profiling of *Cyathea gigantea* and *Cyathea brunoniana* Anupam Das Talukdar, M. Dutta Choudhury, Manas Chakraborty and B.K.Dutta (2010).. AUJ.Sci. Tech: Biological and environmental Sceiences 5(1):37-42.
4. In vitro propagation and phytochemical screening of *Papilionanthe teres* (Roxb.) Schltr P.B.Mazumder, G.D. Sharma, M. Dutta Chaudhury, Deepa Nath, A. Das Talukdar, Bonani Mazumder(2010). AUJ.Sci. Tech: Biological and environmental Sceiences 5(1):37-42.
5. Phytochemical Screening and Bioactivity evaluation of *Homalonema aromatic* (Roxb.)Schott. (2010) P. S. Das & A. D. Talukdar. AUJ.Sci. Tech: Biological and environmental Sceiences 6(1):71-74.
