

WELCOME TO AJOY KUMAR KHAN HOME PAGE

Assistant Professor

Department of Information Technology

Assam University(A Central University)

Silchar, Assam-788011, India

ACADEMIC:

Pursuing Ph.D in Computer Science & Engineering from Indian Institute of Technology, Guwahati, Assam-789039

M.Tech- From University of Calcutta in Computer Science & Engineering in 2007

B.Tech-From University of Calcutta in Computer Science & Engineering in 2005

B.Sc(H)- From R.K.Mission Vidyamandira, Belur Math Under University of Calcutta in Physics in 2001.

RESEARCH:

Research interest field VLSI, Network Security, Algorithms etc.

Pursuing Research from IIT Guwahati on Failure Detection & Diagnosis Using Distributed Discrete Event System model and its application in asynchronous VLSI Circuit and Computer network.

TEACHING:

- i) *One year eight months teaching experience in the post of Lecturer in Academy of Technology, Department of Computer Science & Engg., Hooghly, West Bengal.*
- ii) *Two years teaching experience in the post of Lecturer(Part time) in T.H.K.Jain College, Computer Science Department, Kolkata-700002.*

SUBJECT TAUGHT IN PREVIOUS COLLEGE:

- i) *C-language* ii) *Data Structure* iii) *Software Engineering*
- iv) *Object Oriented Programming(C++)*, v) *Digital Logic*
- vi) *Numerical Methods & Programming* vii) *Operating System*

SUBJECT FOR COMING EVEN SEMISTER FROM 2ND JANUARY 2010:

- i) *Data Communication For B.Tech 6th Semester*
- ii) *Object Oriented Programming & UML For B.Tech 4th Semester*
